

# User's Manual - English

For P1-F and P1-R lights

pygomic

## EN - USER'S MANUAL

### In the box

- Front/Rear light
- Strap
- USB cable
- User's manual

### Operation

To power on/off press the button for 1 second. When powering on, the light will be in the last mode used. When powering on in a night mode, the light will quickly flash on high mode and then enter night mode.

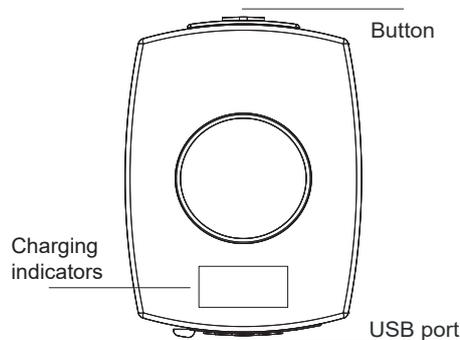

To switch between operating modes, press the button once.

To check the battery level, please turn the light off and unplug from the USB cable then press the button once.

Battery	Blinks
Under 25%	0
25%-50%	1
50%-75%	2
75%-90%	3
Over 90%	4

Battery level indication chart

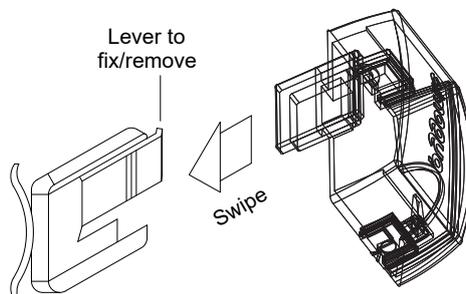

To charge the battery, please use the USB cable included in the box. Do not charge the light over 5V. When charging, a red light will turn on. Once the battery charge is completed, the red light will turn off and a green light will turn on.

### Installation

Slide the square part of the light onto the bracket until the lever fasten the light securely in place. You can modify the angle of the light with the rotation system incorporated in the strap.

To install the strap on the seatpost or handlebar, stretch the strap around the seatpost until you can connect to the hook.

### Precautions

- Do not look directly into the light.
- Storage the device in fresh and dry conditions with medium battery level (50-75%).
- Do not immerse in water.
- Please use the light in vertical position with the power button on top.
- Do not disassembly the device.
- Do not expose to fire nor to combustible or corrosive substances.
- Please avoid using high modes during the night as they could dazzle other drivers.

### Other indications

- Lithium Ion battery (800mAh).
- Light designed for use in bicycles.
- Light weight: 34gr.
- Strap weight: 16gr.
- Clean with dry or slightly wet cloth, do not clean with alcohol, acetone or other corrosive substances.
- When the product is to be disposed of, please treat it as WEEE and take it to an appropriate site for proper treatment, recovery and recycling.
